Biomedical Research in the Federal Government

- Federal Government
  - Department of Health and Human Services (DHHS)
    - National Institutes of Health (NIH)
      - Freedom of Information Act (FOIA)
      - Office of AIDS Research (OAR)
      - Office of Extramural Research (OER)
        - Computer Retrieval of Information on Scientific Projects (CRISP
        - Office of Laboratory Animal Welfare (OLAW)
      - Office of Intramural Research (OIR)
      - Office of Science Policy and Planning (OSPP)
      - Office of Legislative Policy and Analysis (OLPA)
      - Office of Research Services (ORS)
      - Center for Scientific Review (CSR)
        - Integrated Review Groups (IRGs)
          - Study Sections / SRA's
      - Vaccine Resource Center (VRC)
      - Clinical Center (CC)
      - National Center for Research Resources (NCRR)
        - Comparative Medicine
          - Comparative Medicine Resources (CMR)
            - Nonhuman Primate Resources (NPR)
              - Chimpanzee Biomedical Research Resources (CBRR)
                - Alamogordo Primate Facility (APF)
                - Primate Foundation of Arizona (PFA)
                - Univ. of Louisiana - New Iberia Research Center(NIRC)
                - Univ. of Texas - MD Anderson Cancer Center
                - Yerkes National Primate Research Center (YNPRC)
              - Baboon & Monkey Research Resources
                - Baboon Research Resources (BRR)
                - Caribbean Primate Research Center Program (CPRCP)
                - Squirrel Monkey Breeding and Research Resource (SMBRR)
              - Specific Pathogen Free (SPF) Macaques
                - California National Primate Research Center (CNPRC)
                - Oregon National Primate Research Center (ONPRC)
                - New England National Primate Research Center (NENPRC)
                - Herpes B Virus Diagnostic
              - National Primate Research Centers (NPRCs)
                - California
                - New England
                - Oregon
                - Southwest
                - Tulane
                - Washington
                - Wisconsin
                - Yerkes
          - Laboratory Animal Sciences (LAS)
          - National Primate Research Centers (NPRCs)
          - Biological Respositories
            - AIDS Animal Models
            - Chimpanzee Management Program (ChiMP)
      - National Cancer Institute (NCI)
      - National Eye Institute (NEI)
      - National Heart, Lung, Blood Institute (NHLBI)
      - National Human Genome Research Institute (NHGRI)
      - National Institute on Aging (NIA)
      - National Institute of Alcohol Abuse & Alcoholism (NIAAA)
      - National Institute of Allergy and Infectious Disease (NIAID)
      - National Institute of Arthritis & Muskuloskeletal & Skin Disorders (NIAMS)
      - National Institute of Child Health & Human Development (NICHD)
      - National Institute of Deafness & other Communication Disorders (NIDCD)
      - National Institute of Dental & Craniofacial Research (NIDR)
      - National Institute of Diabetes & Digestive & Kidney Diseases (NIDDK)
      - National Institute of Drug Abuse (NIDA)
      - National Institute of Environmental Health Sciences (NIEHS)
        - Interagency Committee for Coordination of Validation of Alternative Methods (ICCVAM)
      - National Institute of Mental Health (NIMH)
      - National Institute of Neurological Disorders & Stroke (NINDS)
      - National Library of Medicine (NLM)
        - Medline
    - Food & Drug Administration (FDA)
    - Centers for Disease Control & Prevention (CDC)
  - National Science Foundation (NSF)
